

# SUMMER CAMP

NEXT GENERATION LEARNING CENTER

The Next Generation Learning Center offers a camp for school age children who are in kindergarten to 5th grade. We are growing each summer and would love to have your child join us. Here is what you need to know to sign up!

- We are opened all summer with the exception of July 4<sup>th</sup> and 5<sup>th</sup>.
- The Enrollment fee is \$150.
- Tuition is \$165 per week. Tuition is billed the Wednesday prior to the week. It is due the Friday prior to the week.
- We are opened from 7 a.m. to 6 p.m. Breakfast, lunch and snack are provided.
- There are 3 tracks that the children get to choose from: Sports, Lego S.T.E.M., and Drama. Each day has scheduled break-out sessions with themed activities to go along with the track of their choice.
- We are considering introducing fourth track. Depending on the level of interest, we will introduce the Academic Focus Track, which would highlight the academic transition to the next grade level.
- All campers also do academic work, free reading, and outdoor play on the field daily.
- Campers participate in weekly in-house field trips.
- Each Friday is water day- with a water slide!

This is a great way to stay connected. You can look forward to seeing old friends and hearing how their school year has been.

Hope to see you soon!
